

If an alert is broadcast, it's time to act

ALERT READY

An Emergency Alert System, called Alert Ready, is available to all Manitobans.

Alert Ready, is designed to deliver lifesaving alerts to Manitobans through Canadian Television and Radio. The list includes a broad range of events such as tornados, flash floods, wild fires and biohazards.

Manitoba Emergency Measures Organization and Environment Canada issue the alerts for Manitoba.

The Website, www.AlertReady.ca, includes additional information about the types of alerts, add Alert Ready content to your website, and much more.

Check it out.
